Etudiant (e) : KHERRAT Amine	**N° Inscription :** 31094773
Etudiant (e) : BABOURI Oussama	**N° Inscription :** 31094773.0

List of required corrections:

1. The External Database actor in the use case diagram should be corrected.
2. Replace "our gratitude" with "Acknowledgements."
3. Correct punctuation and capitalization in the introductory sentences and paragraphs.
4. The Arabic summary should be improved and rewritten as a well-structured paragraph, consistent with the other sections.
5. The Acknowledgements, Summary, and Title should be properly formatted and not centered with a consistent font style.
6. Adjust the title size to ensure a clear and well-organized presentation.
7. Remove the last image before the bibliography section.
8. Reduce or remove the "limitations" section.
9. In the conclusion, remove all subtitles.
